OMODA E5

OMODA E5 EV - Boldly Ambitious, Seamlessly Electric

Confident, intelligent, and future-forward, the all-new OMODA E5 EV brings together bold styling and cutting-edge electric performance. Its sleek crossover silhouette and refined, spacious interior strikes the perfect balance between everyday practicality and adventurous spirit. Powered by a high-capacity battery offering up to 430 km of range and supported by fast charging from 30% to 80% in just 28 minutes, the OMODA E5 is built to keep up with the rhythm of contemporary life.

DESIGN IN MOTION

At the heart of its design lies a sculptural front grille, edge-free and seamlessly integrated into the vehicle's form, emphasizing its purely electric DNA and futuristic character.

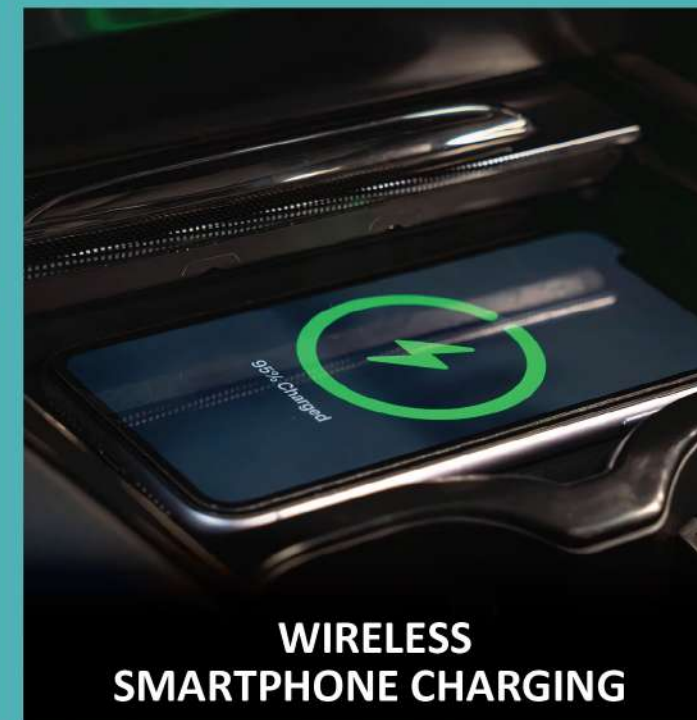

ELECTRIFIED COMFORT

Step inside a refined cabin where sport meets sophistication. The new electric SUV features premium upholstery, ergonomic seats with integrated headrests, and a thoughtfully designed interior that delivers unmatched comfort for up to five passengers. With no traditional powertrain, interior and cargo space are maximized, making every journey effortlessly smooth.
